

# We want you...

# to join the DHHSC Advisory Council!

The DHHSC Advisory Council (DHHSC-AC) brings together Deaf and Hard of Hearing **people like you** in our community and DHHSC staff as well as the Board of Directors. One reason why we have the DHHSC-AC is so **people like you** can give ideas for changes or ways to improve services by telling DHHSC about what is important for our community. The Board of Directors will have the final decision about any of these ideas.

DHHSC-AC members:

- Attend meetings a few times a year.
- Tell DHHSC staff about what is happening in the community for Deaf and Hard of Hearing **people like you**.
- Tell DHHSC staff what the community wants for services and events.
- Helps DHHSC with events and fundraisers.
- Tells the Deaf and Hard of Hearing community about DHHSC's programs services, and events.

## What if YOU want to join the AC?

If you want to be a DHHSC-AC member, please let us know. The local community votes for advisory council members in an election. When someone leaves the advisory council, the advisory council can choose a new member to fill that spot.

## Who can join?

Anyone who is Deaf, Hard of Hearing, or has an interest in the Deaf Community, such as a teacher for the Deaf or an ASL student. Anyone who is interested in helping our community be more deaf-friendly! **People like YOU** can join!
